FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204 sets out fee guidelines for Workers' Compensation specific services.
3. The services in dispute were reduced/denied by the respondent with the following reason codes:
   - W1A – Workers Compensation State Fee Schedule Adjustment*Reimbursement per Rule 134.203/134.204. Prior to March 1, 2008, Rule 134.202.*

- W3W – No reimbursement recommended on reconsideration. Previous recommendation was in accordance with the Workers' Compensation State Fee Schedule.

Issues

1. What is the applicable rule for determining reimbursement for the disputed services?
2. What is the total allowable amount for the evaluation of the impairment rating of the spine?
3. Is the requestor entitled to additional reimbursement?

Findings

1. This dispute involves a Designated Doctor Impairment Rating (IR) evaluation of the spine, with reimbursement subject to the provisions of 28 Texas Administrative Code §134.204(j)(4)(C)(ii), which states that "The MAR for musculoskeletal body areas shall be as follows. (I) $150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used. (II) If full physical evaluation, with range of motion, is performed: (-a-) $300 for the first musculoskeletal body area."

   The Division notes that the document titled Medical Dispute Resolution Newsletter, No: 4, March 2005, submitted by the requestor in support of its request is not applicable to the services in dispute. This article titled Billing and Reimbursement for an Impairment Rating: ROM vs. DRE discusses former §134.202, which is not applicable to the disputed service. The applicable rule is, as stated above, 28 Texas Administrative Code §134.204 adopted to be effective March 1, 2008, 33 TexReg 36.

2. According to the explanation of benefits and the respondent's position statement, the total of $150.00 was reimbursed by the carrier for the IR of the spine. The carrier alleges that this amount was appropriately calculated based upon §134.204(j)(4)(C)(ii)(I).

   The requestor disagrees. In its position, the requestor argues that the carrier should have allowed a total of $300.00 for the impairment rating of the spine because it asked for reimbursement based upon §134.204(j)(4)(C)(ii)**(II)(-a-)**[emphasis added]. In order for the requestor to be reimbursed pursuant to rule §134.204(j)(4)(C)(ii)(II)(-a-), the health care provider, in this case, was required to perform a full physical evaluation with range of motion of the spine.

   Review of the submitted documentation finds that a full physical evaluation and range of motion were performed on the spine. The provider documents: "**A full physical examination with range of motion was performed of the lumbar spine.** [emphasis added] … After considering the above differentiators, the examinee's subjective symptoms and the medical records, it is determined the examinee's injury is best rated under DRE (Diagnosis Related Estimate) Category I, for 0% whole person impairment of the lumbar spine..." The Division concludes that the impairment rating of the spine is allowed at $300.00 in accordance with the requirements of §134.204(j)(4)(C)(ii)(II)(-a-).

3. The division concludes that the total allowable for the impairment rating of the spine is $300.00. The respondent issued payment in the amount of $150.00 for the IR of the spine. Based upon the documentation submitted, additional reimbursement in the amount of $150.00 is recommended.

Conclusion

This decision is based upon a review of all the evidence presented by the parties in this dispute. Even if all the evidence was not discussed, it was considered. For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is $150.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of $150.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
